

## Home Performance Rebates Homeowner Guide

---

---

Please review and follow these steps to complete your rebate process. Call with questions.

- Consult with 4 Peaks to determine available rebates for your home assessment, and performance improvements.
  - Complete application forms provided by 4 Peaks.
- Provide 4 Peaks required account information and supporting documentation.
- Complete paperwork authorizing 4 Peaks to process your rebate.
  - 4 Peaks will submit all required forms and supporting documentation to the rebate provider on your behalf.
- You will receive either an up front reduction in your cost for our services or a rebate check will be mailed to you directly from the rebate provider. Mailed rebates can take 8-12 weeks.
